

Camp@Home - Activities

This activity idea was originally part of a Durham Scouts [Camp@Home](#) event. It has been adapted for broader use as part of the Scouting from Home programme

Activities at home should always be risk assessed and supervised by parents/carers, taking note of the specific safety advice provided

Build a Mini-Golf Course

There are no badges for this one but building your very own indoor or outdoor (age appropriate) mini-golf at home is always fun.

You'll obviously need a small ball or balls, something to use as a golf putter and something to make some holes (plastic cups, a small box or beakers will do).

Try and make more than one hole and make your course as interesting as possible. Can you introduce some water or other obstacles to play around? Can you construct some tunnels or tubes for your ball to roll through or some ramps for your ball to go over? Can you construct it with multiple levels?

Challenge your family members to play a round of mini-golf with you – see who can get around the entire course using the fewest possible strokes.
